Welcome to our 2021 Auction Preview Book!

This auction is the major fundraiser of the year to benefit St. Paul Parochial School. The online auction will open on Saturday, January 30th at 10 am and will close on Sunday, February 7th at 7 pm.

Please invite all friends and family to our online auction. Don't forget to order your McKillips Catering To-Go Dinner and Wine Add-on for pick up on Saturday, February 6th between 5-7 pm.

We so much appreciate your support. As volunteers, we do our best to provide accurate information, however descriptions and or restrictions may not be outlined completely. We also receive last minute donations or need to make changes to the package descriptions and or restrictions. Be assured that we are doing our best to keep it all straight for you and for us.

Please defer to our online auction for the final listing of all auction packages. The winning bidder is responsible for making arrangements as specified on certificates. The St. Paul Parochial School Dinner Dance Auction Committee assumes no responsibility for this process.

We hope you will enjoy looking over the auction packages and planning your purchases. If you would like to make a split bid, have one person bid and win and contact us to split the bid to the other bidders sharing the auction package. We prefer payment by check to save on credit card fees, however we accept all forms of payment. If you have any questions, please contact:

Kjerstine Vachter (541-231-9008) or Tori Wolf (503-515-4543)

Thank You!

We would like to express our tremendous gratitude to everyone who has helped make this annual event such a huge success. Like everything else this year, we were forced to move our auction in different direction. This event wouldn't be successful without our donors and generous supporters. Thank you for raising your paddles and supporting our amazing students and St. Paul Parochial School. We look forward to a live event next year.

7 12"x24" Oil Painting "Reina's Last Goose"

Home Items

The skies around St. Paul teem with migrating geese each autumn and hunters and their dogs take notice. This day, Wade Greaves, son of the artist, joined his aging Labrador, Reina, for a last hunt in the fields nearby. The vibrant color of the mature crops and crisp blue sky made a perfect foil for farm and dairy buildings and the artist's dynamic brushwork and rich hues.

Susan F. Greaves delivers paint to her works in a way that communicates the enthusiasm she felt as she stood before her subject. In over forty-five years as a professional artist, she has caught the attention of judges and collectors throughout the United States, in Canada and Europe. Her oil paintings are based on careful observation and direct execution and would be called a painterly realist on impressionist style.
